

<b>Moment of Silence</b>	<b>E.4</b>
<i>Adopted: July 23, 2013</i>	

It shall be the policy of the Hilldale Board of Education that no sectarian or religious doctrine shall be taught or inculcated into the curriculum or activities of the school. However, those students who wish to do so may participate in voluntary prayer so long as it is during non-instructional time and does not interfere with the rights of other students.

Each school site within the district shall observe one minute of silence each day for the purpose of allowing each student to meditate, pray, or engage in any other silent activity that does not interfere with, distract, or impede other students in the exercise of their choice. All school personnel are to afford these options to all students, who will individually make the selection as to which of these behaviors they will engage in during the moment of silence. These options will also be included in the student handbooks.

If the district or a school employee is sued for providing a moment of silence to students, the district must notify the Attorney General within five (5) days. The Attorney General will provide legal representation to the district or employee named as a defendant in an action related to this statutory requirement.
